

**A year-round promotion of South East Cornwall as a destination for discerning food lovers, by showcasing the quality of its restaurants, food producers, suppliers and accommodation providers**

### **Sponsorship information and application**

**First and foremost, Taste South East Cornwall is an umbrella organisation which aims to support events and promotions organised by its members.** Sponsors have the opportunity to promote their own food events throughout the year under the Taste South East Cornwall brand, including listings on our website calendar of events.

### **JUST TELL US WHAT YOU'RE PLANNING AND WE'LL HELP YOU PROMOTE YOUR EVENT.**

In addition, sponsors can participate in any Taste-organised events such as Taste festivals and Grazing events which may be organised throughout the year.

#### **What's the cost?**

Sponsorship costs **£25 per annum** and benefits include a full website entry with a direct link to your own web site and email, as well as the opportunity to promote your business as outlined above.

Principal Sponsors give **£100** and are additionally entitled to priority listings on the website and other promotional material, plus an opportunity to be involved in organising and steering the direction of Taste South East Cornwall.

Also, regardless of the level of your membership, we ask you to help promote the organisation through the distribution of leaflets and window stickers that we supply.
